## Carthage Commercial College

More teachers, higher standard and better graduates than any other college in southwest Mo.

**RUDE BROS., Box M. Carthage, Mo.**

A valuable premium for the name of a prospective pupil.

## Cement - Buyers

You can Use One-fifth less of  
**ASH GROVE SUPERFINE** Portland Cement than  
you can of any Standard Ground Cement because  
it is **One-fifth—20%—Stronger**

So if you figure that you will need 100 sacks of Standard Ground Cement for a particular job, you need buy only 80 sacks of Ash Grove Superfine. It will do the work.

You save one sack in every five—20%—by buying Ash Grove Superfine in preference to Standard Ground Cements. Figure that saving in dollars.

The reason that Ash Grove Superfine will go 20% farther—do 20% more work—than Standard Ground is because it is finer ground.

Write to the Ash Grove Lime & Portland Cement Co., Kansas City, Mo., for helpful booklets telling all about Cement and why Ash Grove Superfine will give you greatest satisfaction. Then insist upon getting

**Ash Grove Superfine**  
Portland Cement

**Laughead Lumber Company**

Mr. Merchant, your ad in the News is read by more people in and around Jasper than it would be in any other paper published.

### A Missourian Abroad.

Congressman Richard Bartholdt of Missouri, commissioned by President Taft to deliver a statue of Baron Von Steuben to the Emperor of Germany, sailed yesterday on the North German Lloyd steamship George Washington, taking the gifts with him.

According to the public press a Pittsburg man gets a divorce because his wife will not kiss him, and a man from Minneapolis leaves home because his wife kisses him too often. Some men are so hard to please.

The following patents were just issued to Missouri inventors, reported by D. Swift and Co., Patent Lawyers, Washington, D. C. Herbert Greenlee, Chitwood, Gravel-scraper; Joseph Jordan, Moberly, steel tie; Harry H. Smith, Joplin, Saddle and post clamp.

"Oscar Underwood is not only the leader of the Democratic majority; he is the majority. He is not only the chairman of the ways and means committee; he is the ways and means," says Congressman Mann. How quickly the scene changes. Last year and for several years Uncle Joe Cannon was charged with literally running Congress, now it is Champ Clark and Chairman Underwood. Wonder if the Insurgents are any better pleased.

Senator La Follette, who is now an undisputed leader in the Senate made a prophecy in one of his first speeches which has largely been fulfilled. He was looked upon as an innovator when he entered the Senate and during his speech nearly all of the Senators left the senate chamber. He remarked that he could not be oblivious to the fact that the Senators were absenting themselves from their seats as a direct insult to him. He remarked that those seats which were thus temporarily vacant would in a few years be permanently vacated. That prophecy has been fulfilled and now instead of addressing empty seats Senator LaFollette has a majority of Senators at his back.

We read in the public press that congress is about to adjourn and that members and employees are almost worn out. Poor fellows! Sitting there day by day, fanned by electricity, the air cooled by artificial cold-air plant, messengers to do their bidding, almost every conceivable device for their comfort, including shower baths and private dining rooms. While we do not mean to discount the efforts, physical and mental, of the member of congress who feels the responsibility of his position and labors faithfully for his people—and many do—but there are men in congress enjoying comforts and pleasures they never knew before, and some of these fellows go back home and with long faces tell their dear constituents what a hard life of toil a member of congress leads.

### PAY UP.

We expect you to pay your account on or before September 1st, 1911. Don't wait for us to ask you for it.

## Kaw Brand Fertilizers

Why They  
are the Best.

They are made from Stock Yards Manure highly concentrated.

They contain everything required for the full maturing of any plant and contain it in the right proportion.

They are built on a pure manure ash base.

One ton has the same available fertility value as 20 tons richest unleached manure.

Because you return to your land exactly the same thing that you have taken away.

They are actual soil builders, not chemical stimulants.

Summing up, considering statements of leading chemists and agriculturists, Dr. Wiley of the U. S. Department of Agriculture included, Kaw Brands are worth \$5.00 to \$8.00 more per ton than the ordinary Commercial Fertilizer with the same analysis of Ammonia, Phosphoric Acid and Potash.

You cannot afford to risk ruining your land when you can just as well without more cost use actual soil builders and increase producers by buying KAW BRANDS.

## Schooler Grain Co

Reports of damage by the storm Monday night continue to come in. Mr. Conklin, on the Jacobs place lost a barn and contents by lightning. Fire caused by lightning consumed two stacks of wheat on the Sherrell farm. About a quarter of a mile of rural phone poles were blown down.

Last week we thought we had seen about the finest peach grown in this locality, but on Friday Mr. R. C. Corder, living 9 miles southeast of Jasper, brought the News office samples of Alberta peaches grown on his place, one of which weighed 9 ounces and measured 10 1/2 inches around.

Cream, cream, cream! Wheat wants your cream. TUESDAY, THURSDAY, and SATURDAY, cream days. Don't forget.

## Free Remedy Helps Children

Many a mother has learned a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

This Dr. Caldwell's Syrup Pepsin is a truly wonderful laxative and especially adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. Then, it is mild and never gripes. It is all that a child's remedy should be, though it is a good laxative for the whole family because it is effective at all ages. It is simply not dynamic like salts, pills and powerful cathartics, which should not be given to children anyway.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, tone up the child and soon it will be well again—over night wonderful results have been secured with Syrup Pepsin.

You can buy it of any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 621 Caldwell building, Monticello, Ill.

Heavy rains fell Monday night over the greater part of Missouri and Kansas. Hereabouts the rain was accompanied by considerable ice, blowing limbs from trees, and not injuring the corn to any extent.

Mrs. Susan Thurmond, an elderly lady and relative of Mr. Claud McCoy, living 11 miles west of Jasper died last Friday and was buried Sunday morning in Nashville cemetery.
